

OFFICE OF THE LIEUTENANT GOVERNOR

explorASIAN Festival 2009

On behalf of Her Majesty The Queen and all the people of British Columbia, it is my great privilege to welcome everyone to the 13th annual explorASIAN Festival. British Columbia is rich in cultural diversity and home to a growing number of people from across the globe. Festivals like explorASIAN help bring our communities together. They are an opportunity for the people of our province to share their culture and heritage with each other. I extend my gratitude to the Vancouver Asian Heritage Month Society for all its work in bringing this festival to life and I wish everyone a most enjoyable and memorable event.

Sincerely,
