ExplorASIAN Festival
110 Keefer Street
Vancouver, BC V6Z 1X4

Attention: Crystal Hung, Festival Manager

Dear Crystal,

RE: Greetings from Councillor Ellen Woodsworth

On the occasion of the 13th Annual explorASIAN Festival it is my pleasure to extend greetings to all of you who work so hard to promote Cultural Diversity in the City of Vancouver.

Community Festivals such as the explorASIAN Festival are a wonderful way to highlight the powerful, exciting emergent new Asian culture initiatives while also contributing to the vibrant Arts Community in Vancouver by affording local artists the opportunity to perform in their home City.

I wish you every success in this year's festival.

Kind regards,

Ellen Woodsworth, Councillor
